

Summer Reading for PK3

Dear Friends,

We hope everyone is enjoying a wonderful summer vacation! We look forward to hearing all about your summer adventures. Please take time to look at books throughout the summer. We have one special book we would like you to read before school begins in August.

A Color of His Own, by Leo Lionni is a wonderful book we would like you to read with your family this summer. This book is about the colors we will be using in various projects.

After reading *A Color of His Own*, we would like you to decorate a chameleon using your favorite colors. Everyone will have a chance to share their picture. Be creative! You can decorate your picture with any art supplies you choose including crayons, glitter, colored pencils, markers, or paint. We can't wait to see what you create! You will find a chameleon to decorate on the next page.

Have a great time with this activity! We look forward to seeing you soon! 😊

Love,

Ms. Melissa
Ms. Becky
