### **Programs with Competitive Admissions:**

Yale Global Scholars - <https://globalscholars.yale.edu/> Deadline February 7

FSU Young Scholars Program - <https://www.bio.fsu.edu/ysp/> Deadline February 14

Summer STEM Institute - <https://www.summersteminstitute.org/>

The Summer STEM Institute (SSI) is a six-week virtual summer program for high school students.

- **Research and data science bootcamp:** Students learn how to design and conduct data science research projects. Students learn about the research process and how to apply statistical and machine learning methods to address scientific questions with real-world impact.
- **Masterclass lecture series:** Students have the opportunity to learn about entrepreneurship from Forbes 30 Under 30 recipients, science research from International Science and Engineering Fair (ISEF) grand prize winners, and other topics from speakers with diverse backgrounds and experiences.
- **Mentored research project:** Students complete a research project through a rigorous, hands-on learning experience under the guidance of mentors.
- **Learn more and Apply here** <https://www.summersteminstitute.org/>

**Please see Mrs. Pitcairn if you have specific areas of interest or locations that you wish to explore this summer!**
