

Dear Parents,

Welcome to Academy at the Lakes! I look forward to meeting you and your family. Prior to starting their first day of school, the State of Florida requires that schools have 3 forms on file for your child:

- Florida Certification of Immunization (Form 680)
- School Entry Health Exam (Form DH-3040)
- Birth Certificate

Both forms, Form 680 and DH-3040, are obtained by a medical provider

These forms may be given to me (office is located on Lower Division), to any of the Division Administrative Assistants, or you can email them to me at nurse@academyatthelakes.org.

If you are new to the State of Florida, and do not have a primary care physician, the Pasco County Health Department, local urgent cares and pharmacies (CVS, Walgreens) provide school physicals and immunizations, along with providing you the forms.

Should you have any questions and/or concerns, please email me or call 813-948-7600 ext. 377.

Getta O'Neill, RN
School Nurse
