

2023–2024 Lunch Program

Over the summer, we re-evaluated our lunch program. We decided to make a couple of changes to offer better value and quality to our families. We are excited to announce our new Lunch Options for the first half of the school year. We are saying, “just the first half,” because we want your feedback on what is working and what is not. You will receive a survey upon your return from Thanksgiving Break to offer your input on how the new Lunch Options are working for your family. Detailed school lunch ordering instructions can be found below. If you have any questions, please contact Amy Warnock at awarnock@aatl.org.

Lunch Options

Capriotti's Sandwich Shop – We have a variety of sandwiches, salads, soups, and desserts available to order. You will notice on the lunch ordering portal that there are also options for no tomato and lettuce, American Cheese instead of Provolone, make any sandwich into a salad, and even a Gluten Free Bread Option. Capriotti's does not offer Gluten Free bread at their store but has agreed to offer our families Gluten Free Bread with our lunch program. If you would like to add any of these options to your order, select them along with your sandwich during the ordering process. If you would like more information on nutrition and to see pictures of the menu items we are offering, please visit <https://capriottis.com/shop-menu>.

Pizza Suprema – We have partnered with our local pizza shop to bring you a delicious new pizza option. Pizza Suprema will be offering both cheese and pepperoni by the slice as menu items along with a Gluten Free 10" Personal Pizza that can be ordered as a whole or half pizza to accommodate our younger grades.

Panera Bread – The menu is staying the same as last year with many options to choose from. Allergen and Nutritional information can be found at <https://www.panerabread.com/en-us/menu/nutritious-eating/allergen-and-nutrition-information.html>

Chick-Fil-A – We have added one new menu option to our menu, the Grilled Chicken Cool Wrap (Half). Allergen and Nutritional information can be found at <https://www.chick-fil-a.com/nutrition-allergens>.

Panda Express – This new Lunch Option gives our families many different combinations to choose from. Lunch will be offered in 2 sizes, Small and Large.
