

I am going into PK3 and I CAN.....

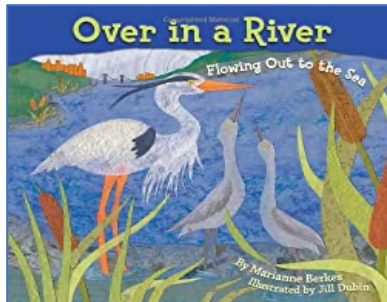

Say my first and last name	Say my age	Say my birthday	Follow a 2-step direction with one reminder
Stay with an activity for 8 minutes or more	Wash and dry my hands	Dress and undress myself (dress, shirts, shorts)	Eat at the table using a fork, spoon, and napkin
<u>Say</u> the ABCs (not sing)	Count to 5 on my own	Count three objects by touching and saying the number	Build and create towers of six or more blocks

Put a check or a sticker on each box when you accomplish a goal and bring to Orientation to show your new teacher!

Summer Books and Activities for PreK-3

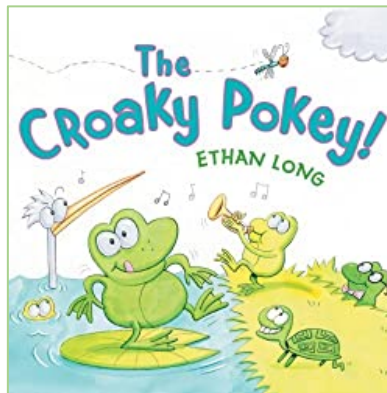

These are some books we hope you enjoy reading these with your little learners! Please click on the title to see the link to Amazon.com for a description of the book. The Summer Activities follow the books.

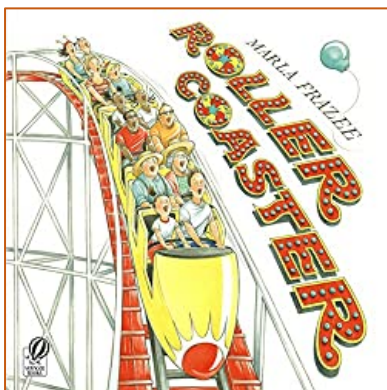

[Over in a River](#)

Explore the animals and habitats that fill the rivers around North America. Learn about otters and blue herons! All of these locations have something in common, they connect to the oceans. This makes for a very interesting place to explore.

[The Croaky Pokey!](#)

An adorable summer book that keeps little learners moving! I'm sure you remember the Hokey pokey... let's get those kiddos in on the fun with a little help from the frogs down at the pond. A must-have for every little learner's library.

[Roller Coaster](#)

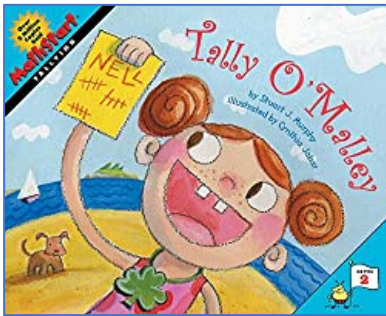

One of the BEST thrills of summer! If you are ready for your little learner to take the plunge and ride on a roller coaster, this book is the perfect way to introduce them to one of the best rides of summer.

Summer Books and Activities for PreK-3

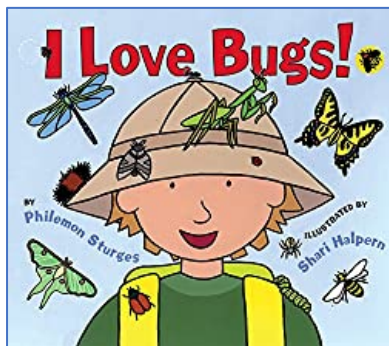

Is it Warm Enough for Ice Cream?

With each seasonal change come new and exciting things. When summer comes... it is time to indulge in everyone's favorite frozen treat: ice cream!

Tally O'Malley

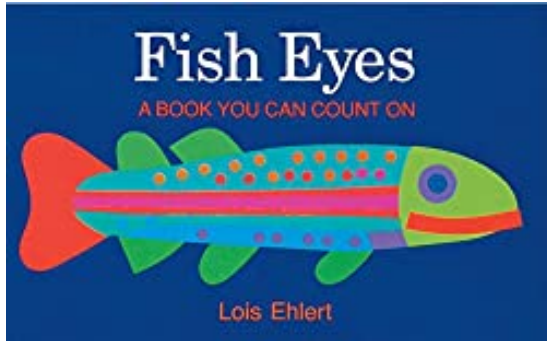

Taking a road trip to the beach is quite necessary during the summer. But what do we do to keep ourselves busy during the long drive? Tally up anything and everything you see. From gray cars to green shirts. This summer book is a great way to get your little learners excited about math.

I Love Bugs!

The bugs come out to play in the summertime! Teach your eager learners all about bugs with the help of this book.

Summer Books and Activities for PreK-3

Fish Eyes

My little learners are infatuated with fish. That's why they won't notice that they are practicing their counting skills while reading about something they love.

PreK 3 Summer Work

Reading Activity

- Read [Pete the Cat Rocking in My School Shoes](#) by Eric Litwin
 - Draw a picture of something you are looking forward to doing at school.

Literacy Activities

- Go on a letter hunt around the house, in the car, or at the store. Try to find all the letters in the alphabet.
- Read a story with a family member or friend then draw a picture of your favorite part.
- Use sensory bins filled with shaving cream, rice, paint, sand, or Play-Doh. Practice writing your name or letters in the bin.
- Use chalk outside to write your name and other letters. Trace over those letters with pieces of nature (rocks, sticks, leaves, etc.).
- Lay out letter cards or letter magnets, find objects inside and outside the house that begin with that letter sound.
- Grocery store "specific" letter/number hunt.
- Pick out your outfit and name the colors/patterns.
- Play ABC bingo
- Take a trip to the local library and pick out a few bedtime books.

Math Activities

- Sort Laundry and match socks.
- Count how many steps to the front door, couch, back door, from your bedroom door to your bed.
- Exercise together-Counting 1-10 Examples: 1 Jumping Jacks, 2 squats, 3 twist, 4 toe touches, 5 burpees, 6 push-ups and etc.
- Counting how many letters are in your name plus family members' names. Compare who has more/less.
- Play Number Bingo
- Color/Shape Bingo

Summer Books and Activities for PreK-3

- Take a walk and find 2D shapes.

Sensory/Science

- Shaving Cream Fun! Spray shaving cream onto a large tray. Write letters, numbers, and your name
- Playdoh
- Have a picnic and listen to the sounds you hear, name the colors you see, talk about the smells.
