

Summer Program Opportunities

Many colleges and universities all over the US hold summer programs for high school students. Depending on your interests and where you might want to explore, look into options like these below. You can also look at a specific college's summer offerings, or search online for "*Best summer programs for [Fill in the Subject] for high school students.*"

<https://www.teenlife.com/> A website with over 13,000 programs for 7th-12th grades.
