

Accessing FACTS Family Portal

FACTS Family Portal is a private and secure portal that allows you to view academic information specific to your child while protecting that information from others. You may view your child's grades, attendance, homework, and other useful school information.

The username and password you created for your child's enrollment packet will also be the username and password for Family Portal.

How to Access FACTS Family Portal

1. From FACTSmgmt.com, click **Log In Here**, then click **Family Portal Login**.
2. Enter **District Code: AL-FL**
3. Click **Next**.
4. Enter the enrollment **username** and **password** you previously created.
5. Click **Sign In**.
6. If you have not set up multi-factor authentication (MFA), you'll be prompted to complete it during login. You may choose to receive a verification code by email or use any authenticator app of your preference. FACTS does not require or limit which app you use.
7. Complete one of the following verification methods:
 - Email verification
 - Authenticator app verification

If you have forgotten your password, click the **Forgot password?** link.
